PTO General Meeting and Special Presentation

Tuesday, October 17, 2017

6:45 PM – School Cafeteria

Our children will be faced with many difficult situations and decisions as they progress through school. Drugs and alcohol are one of those. One way, we as parents, can assist them, is to be informed of what drugs are out there, how they affect people, what they are called and what to look out for.

Please plan on attending this special presentation which will be provided by a detective from the Fairfax County Police Department to learn what we as parents should know in order to best protect our kids.

Students that have a parent attend the meeting will receive a free dress day on a date to be determined.
