

CORPUS CHRISTI SCHOOL

November 3, 2017

Dear Corpus Christi School families:

The second and eighth graders are asking for your help with the annual Corpus Christi School Thanksgiving food drive for the St. Philip Food Pantry. Especially at this time of year, many families are unable to celebrate Thanksgiving because of job loss, family hardships, or personal challenges, and the need is great. This year, we hope to replenish the St. Philip Church food pantry, which is run on parishioner donations with volunteers who are parishioners. Anyone, not just parishioners, may come during the St. Philip Food Bank open hours to receive food. **Each Corpus Christi class is asked to donate a particular item and bring the item at school no later than Friday, November 17th.**

Please carefully read the item(s) listed below that your students are asked to donate:
